WORK EXPERIENCE

Web Developer

Tata Consultancy Services

10/2018 - 12/2021

Hyderabad, India

As Full-Stack Developer on 'ADMC,' I drove end-to-end web app development, enhancing user experiences.

Achievements/Tasks

- Successful Project Delivery : Throughout my tenure at TCS, I consistently contributed to the successful delivery of high-profile web projects for our clients.
- As a Front-end Developer : Developed and maintained responsive and user-friendly web interfaces using JavaScript and React.
- As a Full-stack Developer : Managed the entire development process from concept to deployment, handling both client-side and server-side tasks.
- Collaborated with UX/UI designers to implement design concepts and ensure a seamless user experience.
